To Whom It May Concern:

This is a letter of endorsement for Frederick Marx and Warrior Films' forthcoming film RITES OF PASSAGE – THE RIGHT OF EVERY CHILD BORN (working title). Big Brothers Big Sisters of Metropolitan Chicago has reviewed the content of the film itself and the plan for its dissemination and determine it to be perfectly in alignment with the best interests the young people and families we serve in our organization. We look forward to working with Frederick and his team to utilize the film once complete. More than being congruent with our organization's mission, we believe strongly that the film, along with its constituent parts, will help educate students and their families of the meaning and value of proper rites of passage. Furthermore, the film will be a valuable tool to assist us in recruiting staff and participants into our own rites of passage and mentorship programs.

Sincerely,

Arthur Mollenhauer
CEO
